### AIDS quilt grows and tell thousands of stories

By CHUCK WILLIAMS Staff Writer

EAST LANSING - An observance for World AIDS Day occurred Wednesday at the Kresge Art Museum, with a display of the AIDS Quilt. Additional ceremonies and functions were held at the Hannah Center, the International Center and Fairchild Theater.

The 17th Annual World AIDS Day was observed around the world on Dec. 1. It recognizes progress made against AIDS and brings awareness to challenges remaining.

This year's international focus is on the suffering HIV and AIDS have brought to women and girls.
