At Gerontech Inc., we are *redefining the role of the tech distributor.*

We don't simply fill your order. From the onset, we are involved directly in helping you achieve greater success. From assisting you in defining your machining needs to providing round-the-clock service and support, we are involved every step of the way.

Through the powerful relationships we have nurtured and with careful, focused application of our talents and resources, Gerontech has become recognized as a vital partner - both by the manufacturer's we represent and by our loyal customer base.

It's what makes us different from every other tech distributor out there.

Gerontech. Your Partner in Biotech Solutions.

Gerotech History at a Glance:

- **Incorporated in 1971.**
- Since 1987, Gerotech has achieved **growth in excess of 1000%.**
- In 1988, we established our **NewCity, NewState** office.
- In 1994, Gerotech was named **Distributor of the Year** for ANCA, Eaton Leonard, Haas and Monarch.
- Our 12,000 square foot **Technical Center** in **Flat Rock, NewState** was completed in 1995 and we achieved record **sales of \$35M** in new machinery.
- That same year, we were again named **Distributor of the Year** for ANCA, Eaton Leonard and Monarch.
- In **1996**, Gerotech merged with **National Sales and Engineering**, a premier NewState machine tool distributor established in 1918. We also established **strategic alliance with Merritech and Firwood**, a major material handling company.

Our Strength Is Our People

The keystone of Gerontech is our people.

Our management provides leadership, foresight and guidance. Our sales force is knowledgeable in manufacturing, engineering and materials technologies. Our support personnel maintain technical proficiency in their diverse roles.

In short, *our strength is our people.*

Gerontech Management:

Our management staff is marked by years of experience. They are:

G. Roger Exec., Title? - 22 years of machine tool experience at Gerontech; 15 years in executive management at Gerotech; 10 years as President and Owner.

Russ Exec., Title? - 26 years of machine tool experience; 20 years in executive management, including 5 years as Vice President of major machine tool builder.

Fred Exec., Title? - 24 years of machine tool experience at National Sales and Engineering, 18 years as President and Owner prior to merger with Gerontech, Inc.

On-Going Development:

The ongoing training and development of our sales and support force is an investment in the future of Gerontech and our customers. Our continuing education program emphasizes enhancing customer service as well as technical and product service skills.

[our history](#)[our people](#)[strategies](#)[locations](#)

Our Core Strategies:

We have attained our leadership status by employing performance-oriented strategies designed to keep the needs of our customers foremost in our efforts.

Our strategies are:

- Driven by market requirements
- Dedicate ourselves to our customers
- Attend to the needs of our principals
- Provide solutions
- Build lasting relationships
- Invest in our people

By adhering to these core strategies, and at the same time remaining flexible and creative, we have provided better service, quicker response time and more complete solutions for our customers.

products

services

In addition to our wide-range of machining products, we are pleased to offer the following services to our customers:

- Installation and warranty services are provided by our 8 service technicians.
- We strive to eliminate downtime, by providing 24-hour service response time on our customer's machines.
- Our 5 product specialists have extensive experience in CNC tube bending, CNC cutter grinding, 5-axis universal machining and mill and turning tooling.
- Our in-depth customer training is conducted by professionals who focus their curriculum on machine operation, programming and maintenance.
- We provide comprehensive tool and accessories support. Additionally, our applications support team performs machine demonstrations in our world-class demo room, time studies, application reviews and turn key projects.
- Gerontech can help maximize your manufacturing methods, as well as provide precision fixture design and tooling recommendations.
- We are pleased to offer a full-range of flexible and competitive financing options.
